Notice Regarding Closure of Eastport Pharmacy

Dear MaineCare Pharmacies,

We want to let you know that Eastport Pharmacy has closed. We understand this may be an unexpected disruption, and we are committed to helping our members continue to receive the medications they need. To avoid any interruption for members in obtaining their prescriptions, we have requested they choose a new pharmacy as soon as possible. Nearby pharmacy options include:

Wal-Mart Pharmacy – Calais
Community Pharmacy – Calais
Hannaford Pharmacy – Machias

If a member has another preferred pharmacy, they may choose that location instead. Members may also ask the new pharmacist to contact their health care provider to obtain prescription information to help with their continuity of care needs. When members visit your pharmacy, take a few minutes to introduce yourself and discuss their medications and any questions they may have. Establishing a relationship with your new members will help ensure they can obtain the best pharmacy needs and rely upon your support for their ongoing care. If you have questions about MaineCare pharmacy benefits, please contact the Pharmacy Helpdesk at 888-420-9711.

Thank you for your continued support of our MaineCare members.
